

Major Modification Granted for Bi-County Class I Landfill Facility

The Tennessee Department of Environment and Conservation (TDEC), Division of Solid Waste Management (DSWM), has issued a solid waste disposal facility permit to Bi-County Solid Waste Management Systems. The facility, identified as SNL630000108 is located in Montgomery County at 3212 Dover Road, Woodlawn, Tennessee.

This permit authorizes construction, operation, and closure of a fully-permitted vertical expansion to the existing disposal facility over cell E for the disposal of domestic wastes, commercial wastes, institutional wastes, municipal solid wastes, bulky wastes, landscaping and land clearing wastes, industrial wastes, construction/demolition wastes, farming wastes, shredded automobile tires, dead animals, and approved special wastes.

DSWM made the draft of this permit available for review during a 45-day public comment period which ended August 22, 2016. A public hearing was also held on August 1, 2016 to receive comments concerning the modifications proposed. No comments were received during the comment period.

The final permit is posted online. Visit <http://go.usa.gov/x3cjC> to access the facility information in the Dataviewer. Three locations also have paper copies available for review:
